

WEEKLY STATUS REPORT (WSR)

[11/10/14]

TO: Professor Linos
FROM: Chris, Ade, and Sean
SUBJECT: Status report for week [11/3-11/9]

I. RED FLAGS: None

II. ISSUES: Shifting between WordPress themes. We want to give Bob and Patric multiple theme options, but transition between themes is challenging.

III. ACCOMPLISHMENTS (11/3-11/9):

11/3

- Contacted Bob and Patric about the progress we have made. They both had input on our first design, so we will take that into account on our second design

IV. ACTION ITEMS FOR FOLLOWING WEEK (11/10-11/16):

- Improve on our design, based on the suggestions from Patric and Bob (whole team)
- Possible conference call with Bob or Patric, to give them a status update (whole team)
