

WEEKLY STATUS REPORT (WSR)

[12/8/14]

TO: Professor Linos
FROM: Chris, Ade, and Sean
SUBJECT: Status report for week [12/1-12/7]

I. RED FLAGS: None

II. ISSUES: We do not have the admin rights on the live TSOG site to change the main “lying grass woman” picture

III. ACCOMPLISHMENTS (12/1-12/7):

12/3

- We purchased two stock photos from thinkstock.com that were suggested by Bob. We loaded those pictures into TSOG’s current WordPress site’s media folder. It was discovered that the main picture header is hardcoded in. Because we do not have access to the live site’s source code, we could not make that picture change.

12/5

- Began work on our final report and presentation slides.

IV. ACTION ITEMS FOR FOLLOWING WEEK (12/8-12/10):

- Remind Patric and Bob about our final presentation and client appreciation gathering (Sean)
- Finish our final dossier (whole team)
- Finish our final presentation slides (whole team)
