Subject: Status report for week [2/15 to 2/22]

I. Red Flags:

- A. I have plenty of experience with HTML and Javascript but none with CSS or PHP
Amy has no experience with any of them

II. Issues:

- A. Our major issue this week revolves around getting Amy up to speed with HTML and Javascript

III. Accomplishments:

- A. Wrote a Drag and Drop Function for the template pages
- B. Began the process of getting Amy up to speed on the languages we'll be using

IV. Action Items for following week:

- A. swap drag and drop elements out for text boxes
- B. Find a way to save result in HTML format to be pulled up when requested
- C. Find a way to populate the text boxes from database elements
