Subject: Status report for week [4/4 to 4/11]

   I.   **Red Flags:** Time is running out

   II. **Issues:** We can't quite get the add function to work right. Can't figure out how to add a new row to a database and add information to it.

   III. **Accomplishments:**
        A. Working on project again
        B. Most of the features work in some form
        C. We can manually add items (inside the database, not the form) and then search and edit those items

   IV. **Action Items for following week:**
        A. Get add working
        B. Begin thinking about which stretch features to deliver
