Dr Pangan, Communication Advisor with JBT Rosa Florence, Communications Liaison		Dr Kleinman, Communication Advisor with JBT Dr Panos, Professor/Mentor for EPICS team	
Items to be brought to interview			
Team built agenda to explain the plan for what we are doing			
Meeting Summary			

Chris Jacob/ Original Code

Jacob S. contacted, language code too difficult
contacting Dr JBT for phone number, might ask Jacob

ColorMyBrain

Contacted Dr JBT for any mapping of answers to create algorithm

Need Things

looking into pictures/bio of artists
will send a file with the names of all the brains in order to correspond to the 10 needed
adding multiple brain pictures to Drive in order to have extra

Group To Do

see if there's a way to meet ColorMyBrain 1/2 way while we wait for the answers
delegate code to all members, maybe btw less and more complicated
research where to get files off of

Brains @ Campus
