## Q21 - What is your reasoning behind not using it?

What is your reasoning behind not using it?

---

Not sure what I would use it for.

Doesn't have anything useful

no need

BAD CODE

No reason to

The only thing our group uses it for currently is to upload WSR's, which only our group leader does

safda

I only use it when i need to

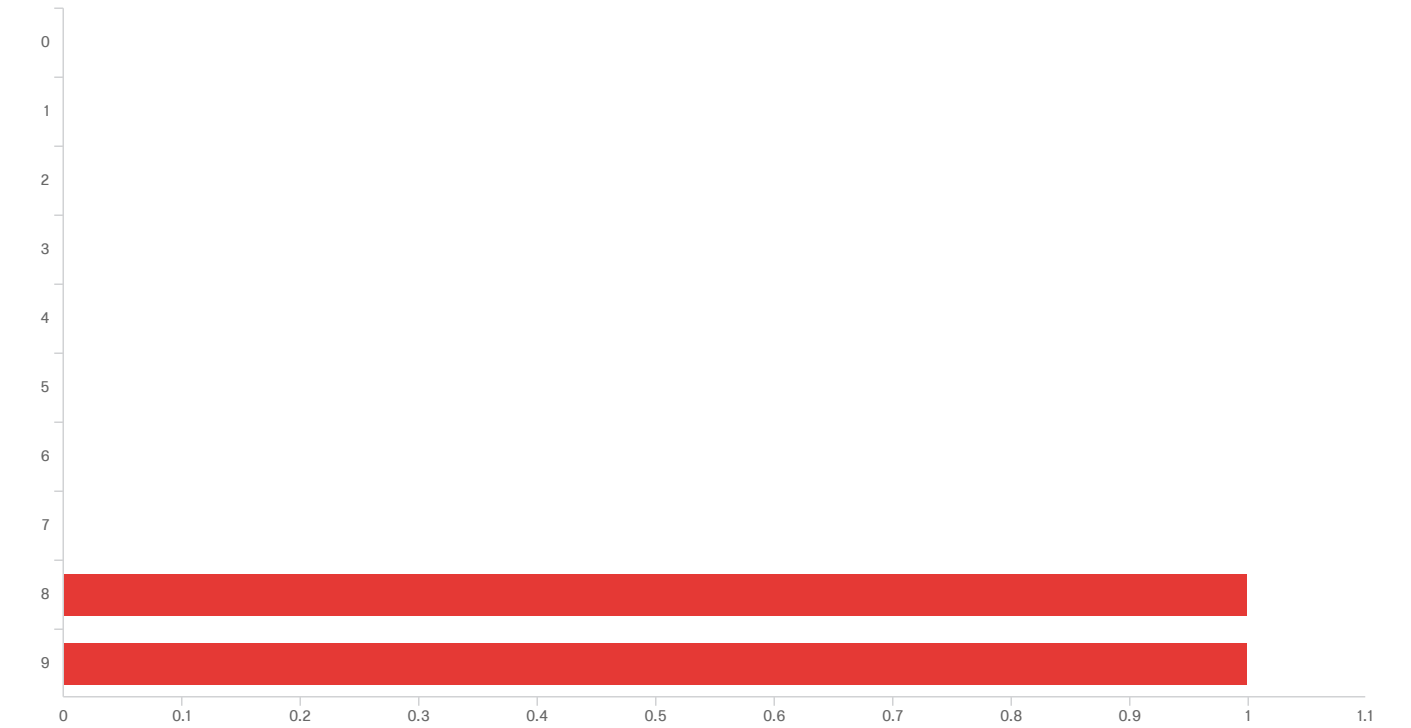

Cause i don't need to use it

Don't need to

TEST

My group leader does everything. All of our information is on github and trello and not shared through the website.
