

Positive feedback we received:

- Presentation skills were good
- We let everyone speak and explain our individual roles
- Good explanation of the client and our project
- Goals were clearly stated
- Great communication with client
 - Frequent meetings
 - Lots of emails

Things to Improve on:

- Visual representation of the garden
- Challenges moving forward
- Consciousness of the amount of time we have left

Team meeting afterwards:

- Went over the feedback from our classmates
- Something we have done well:
 - Good team communication
 - Good understanding of individual roles
 - Attendance
- Something we need to Improve on:
 - Bring together all the individual parts we are working on
 - More productivity in standup meeting and during class time
