Positive Feedback received:
- Great presentation / prototype
- Good progress since last sprint
- Meeting deadline
- Good work distribution / allowing all members to speak in presentation

Improvements to work on:
- Grammatical errors in presentation
- Error checking in message writing / checking for blank message
- Lack of time to meet all goals
- Variety of flowers

Team meeting after receiving the feedback:
- Went over the feedback from our classmates
- Discussed things we are doing well right now
    - Communication
    - Meeting deadlines
    - Making progress
- Discussed some things we need to improve on:
    - Timeline
    - Reevaluating end goal
    - Breaking problems down into smaller problems
