

WEEKLY STATUS REPORT (WSR)

September 30, 2019

TO: Patrick Bagnuolo,
Professor Linos
FROM: Maeve McCormack
SUBJECT: Status report for week 2/3/2020-2/10/2020

I. RED FLAGS: none

II. ISSUES: trying to decided whether to continue with the past project or start over with 3D modeling

III. ACCOMPLISHMENTS (dates):

2/5/2020

- Met with WFYI client and discussed the idea of 3D modeling for the garden
- Expressed concerned on not being able to finish in time
- Stated that either option they will like but are more excited about 3D but again want it to be finished

IV. ACTION ITEMS FOR FOLLOWING WEEK (dates):

- Start setting up database
- Decide on 3D or 2D model
