# Project Overview

- Happy Hollow is a children's summer camp in southern Indiana providing programs to financially disadvantaged families.
- Need online & user friendly summer staff application
  - Input verification & requirements
  - Organization of applicant responses
  - Access from multiple office locations
- Need advertisement & postings to college-aged candidates
- Need reference request form for candidate references

Sprint 1 To Do

...

As an applicant, I want to be able to apply on a Google Form so that I can be a staff member at Happy Hollow.

NS

As a prospective applicant, I want to be able to use a QR Code that takes me to the application so that I can easily access the Google Form.

NS

As a product owner, I want to have a nice looking flyer so that prospective applicants are attracted to the application.

NS

As a team member, I want to contact career services so that I know how to advertise at Butler so that Butler students know they can apply to Happy Hollow.

DC

As a team member, I want to contact the Butler Today so that I know how to advertise at Butler so that Butler students know they can apply to Happy Hollow.

DK

As a team member, I want to make a page on the EPICs website so that we can stay organized and other groups will know what we're doing.

MLTB

As a team member, I want a nice looking Sprint Presentation so that we can present to the rest of the class. :-)

DC

As a team member, I want to contact SIL office to find out what hanging flyers for advertisement on campus would entail.

- Researching advertising options
- Recording meetings, leading them

The Scrum Master

## Personal Challenges:

- I hate online school !!!!!!!!!!!

# Jake's Completed Work

- Researched Google Forms & Usage
- Completed the Updated Staff-Application Google Form
- Presented form to Chris Chappell for review & invited Chris as a collaborator
- Worked on sprint slides

## Personal Challenges:

- Online school mixed with an overload of 8 classes.
- Dedicating appropriate time to each course
  - Difficult decision to drop a class

# N8's Completed Work

- Created QR-code for Google Form Link
- Designed Flyer Prototype
- Received feedback from client and made necessary changes

← 1st Flyer Prototype

1st QR-code Prototype →

(link doesn't work... yet)

## Personal Challenges:

- Designing the layout and dealing with the weird formatting in Word.
- Picking a theme / color scheme to match the company.
- Deciding what to write in the description of the flyer

# Daniel's Completed Work

- Reached out to the following organizations on butler's campus
- SIL, HRC, Pulse, Butler Today, Caps.
- Began a Spreadsheet with different rates to advertise in different ways.
- Began to brainstorm other schools and advertising options for the client.

Printed news paper		
	Butler	\$30-\$907
Online news website		
	Butler	\$68-\$302
Signs around campus Newspaper Racks		
	Butler	\$15-\$200

## Personal Challenges:

- I had 5 exams last week so trying to balance my time was not easy.
- Sending emails to multiple different people due to poor chains of communication.
- Trying to find low prices for our Non for profit

# Ty's Completed Work

- Collaborated with Mason on the EPICs webpage
- Offered input based on experience with summer camps
- Aided the team in decision making
- Contributed to meeting with client to understand their needs

## Personal Challenges:

- Learning how to use WordPress to make a visually appealing web page
- Working as a team virtually

## Mason's Completed Work

- Worked with Ty on the web page to make design and wording choices
- Helped write an overview of our mission
- Gathered and saved artifacts for other members
- Helped brainstorm and make decisions

### Personal Challenges:

- Figuring out how to best collaborate
